This agreement authorizes CentralAlliance Credit Union to call the above listed phone numbers if a check is presented for payment when the funds are not available in your account. The call gives you the opportunity to get a deposit in to the credit union by 11:00 a.m., CST, or a same day wire. CentralAlliance will only call the listed phone numbers once, so it is crucial that you list phone numbers that you are normally at between 8:00 a.m. and 11:00 a.m., CST. If we cannot reach you at either given phone number, we will have to return the check due to insufficient funds and charge our normal return check fee. The charge for consumer check call is \$40.00 when a connection is made. The charge for business check call is \$50.00 when a connection is made. If there is no answer, there will be no check call charge. Check call alleviates the embarrassment of a returned check and helps maintain good credit.

If you fail to deposit funds as agreed when contacted under this agreement, CentralAlliance Credit Union reserves the right to terminate this agreement at any time.
